Still Here - Pearl Jam.

A melancholy song, but it is these exact songs that bring me out of my more dour moments.

Days like dominoes, all in a line

Emerge transformed in a million years, from days like these

Rick Wakeman - *[Journey to the Centre of the Earth](#)* with the London Symphony Orchestra and the English Chamber Choir, recorded live in concert on January 18, 1974.

You'll need 40 minutes for this, but if you are available, this unique work is worth the listen.
