Great Terra and its Dominions, a star spanning Empire in the Milky Way Galaxy. A product of human, elvish an dwarvish unification during it's years of struggle centuries ago. Currently, it is recovering from a major war and it's future is uncertain

I am constructing a language for this nation...

.....so confused.

While i understand that the confederate flag doesnt instantly mean nazi....it sure as hell suggest it. Yet they made it christian so im wondering if they still have the exact same values as the confederates. Just going by the name and flag but if you actually sniffed around it its pretty much 10/10

Though i actually support his white voters only ironically 😊

Communist Africa may be evil depending on who runs it, but the flag itself doesn't spell "Death muahahahahahahaha"

Was once a ruthless capitalist Corporate State in South America (1800s - 1950s), but has since reformed into a Social Democratic, Federal, Parliamentary

Republic whose politics is 90% of my irl views. We're Italo-Spanish-Chinese influenced and thus there's a lot of Chinese and Greco-Roman cultural references.

I do **not** use NS stats.

"Knowing is Good. Knowing **Everything** is Better," is a quote said by President Khoroshev about the state's totalitarian nature.

About a 6/10, kinda has a sinister vibe to it
