That's a great song. The bassline for that is really cool.

I like this Wayne...after this album his stuff became insufferable.

He was once tolerable?

Boom - Royce Da 5'9".

I thought so. *Carter I* I thought was solid, *II* was a little boring but had it's good spots. But *Carter III* onward...no, **hell** no ("classic album" my ass).
Dude was never a great rapper, but I still enjoyed his stuff.

Paradise Lost - "Punishment Through Time"

From their up and coming album "The Plague Within" (2015)

After hearing this track and "*No Hope In Sight*" I am very excited to hear their new album in full when it comes out.
