Aerlanican Military authorities appearing out of nowhere citing a variety of various Aerlanican laws and legislations regarding the illegality of inquisitors, freedom of expression, freedom of personal choice, freedom...

While the Aerlanican Authorities are stating an excessive, unnecessary and, generally, over the top set of laws (many of which are obscure and extremely situational) the femboy is smuggled away and hidden.

Disney rewrites the story and he's beaten by a Mary Sue. But don't worry she trips over once so she's not a Mary Sue.

The Spanish disguise themselves as Portuguese, thereby allowing nobody to suspect the Portuguese Inquisition.
