Unfortunately I'm not Dapho, but I wish he was here so I could give Wasco a proper burial.

Miku we need to find Dapho.

Welcome to Libriano!

Finding him is like finding a needle in a haystack. Guess we'll have to continue looking to avenge WaCol.

Well, you ain't the guy...

Daphy, you are under arrest for the murder of WaCol.

THE LAND OF BRONZE

The most powerful and prosperous nation of the Bronze Sea. The country that brought peace between Sameria and Keraxe, protector of Frostmill and the Monoah, and whom annihilated the tyrannical reign of Winterveil. The Bronze Sea would be unrecognizable without our rule.

IC: A supposedly benevolent generous kingdom, but in reality is a totalitarian state that willingly puts down basic human rights and civilians just to advance magic in the name of the Order of Aesir that only stopped after the last king was killed.

OOC: Puppet State of [Washington-Columbia](#). Also, warning for hefty spoilers for Arcane Odyssey.
