2/10. Pretty harmless at the moment. I would guess they probably had some sorta violent past though.

I like your flag, and it kind of reminds me of the night sky, I don't know why.

The eagle in a way is reminding of say, Prussia or Germany. But overall, not very evil-looking.

Using the face of the ruler instead of a symbol reeks of totalitarianism, like the ruler sees the country as their own personal property and not the property of the people. Instead of the ruler serving the public, the public serves the ruler: this is wrong and must be rectified.

10/10. Utterly evil, to be deposed and to returned to the people of the country as soon as possible.

4/10 - has an oppressive imperial monarchy scheme like tsarist russia to me, but the color scheme works nicely and convinces me they're somewhat pacifistic

Their flag seems peaceful, but a plant sprouting from a red field evokes imagery of the blood of enemy watering their fields. On the Very Official Evilness Scale, a 2/9.

Black flag with a grey emblem. +5

Apparent devotion to inequality in the abstract. +1

Literally named HERESY?!

Yeah. That's a solid 9/10 on this one for me.

Greater Catarapania is a firm-sf PMT nation with a quasi-atompunk tech base.
