lol there's children the the backgarden next door doing general
screamy small children things

I figured:P I know how that goes....though I've kind of become
worried sometimes when I hear that, especially when I'm in the
middle of questionable cities. Dunno who. I guess Ive just
become...paranoid? Strangely enough, over all I'm very much not
paranoid.

And sorry, my first mental image was you having children trapped in
your house that were screaming to be let free or somethingI
have no idea why.....I think it may have to do with my evilness
 I'm going to do on an RP soon.

really good metal

I was expecting a brief, small song.....not 30 minutes:P It might be good, but I don't feel like listening to something that long right now. Though, from what I've heard of it, it's probably not my thing in the metal genre. Since I love sharing music though, [here's](#) a metal song I dig that I'm listening to right now.

Dir En Grey - Dozing Green

I try to limit mine to about 2 or 3 posts in a row, because I feel 'spammy' if I do too much. Most of the time I have no reason to do a bunch anyway.

Like today for example. This thread is busy today!
