I don't think so, the quality of life seems great but there's conscription and average civil rights.

Doesn't seem like the worst place, although I don't know what the attitude would be like to people like me there, but they don't seem to be some fascist nation. So maybe.

A post-apocalyptic nation located entirely within a megastructure amidst a burning Earth, in a world where reality barely holds together and magic arises from the cracks.
