Barbie is an Allegory for Animal Farm. Kens (Animals) seize control over the Barbies (Humans) and Ryan Gosling seizes power himself (Napoleon the Pig)

Explain to me how something can be an allegory of an allegory. Logically, it follows that Barbies is in fact an allegory for Soviet communism, with the Kens being the Bolsheviks, and Ryan Gosling Ken... Stalin.

I would have never thought Ryan Gosling would come up in the same sentence as Joseph Stalin.

We would like to remind our foreign listeners, that Hornislav is still not a subject for your mockery.

Coming from Radio *Hornislav* it sounds like they really like Hornislav, be it either a place (likely) or a thing (unlikely). But why the threat? Surely the press would recognise the need for freedom of speech, right? *Right?*
