On Pandora, with a mix of Nirvana and Third Eye Blind. Red Hot Chili Peppers, Smashing Pumpkins, and Foo Fighters have found their way in.

Third Eye Blind really annoys me, but the rest are decent/good. Foo Fighters aren't amazing but I think they're decent. Nirvana I haven't listened to a whole lot but people seem to love Nirvana. Red Hot Chili Peppers are tolerable. Out of all of those The Smashing Pumpkins is probably my favorite and the one I've listened to the most in general.
