No.

Our nation is Poland, but there was a great Nazbol revolution, which overthrew the PZPR and freed Poland from USSR, in 1993. The Iron Curtain still exists, but it has changed its borders.

Civilization's class: 1.4 ([according to this index](#))

My nation doesn't represent my RL views. It has been created for artistic purposes and is not intended to promote anything.

YES!!

totally ignoring everything that has happened to me

The Reformist Military Republic of Serkin.

Led by Commander Manuel Carvajal, Serkin is a nation with an anti-neko policy, after the victory of the Reformist Faction in the Serkinian Civil war, against the Monarchists and Communists.

This is all I can tell you for now.

Yes. Despite the flag's appearance it's not a dystopia.

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

Probably, although it seems a little *chilly*. It seems a nice enough place, probably wouldn't conscript into the army, but otherwise seems a decent sort of place.
