By the flag, I'd guess either an American or a Brit.

Let's go with an American.
From some part of the country where challenges to the form are encouraged.

That brings us to the West Coast or New England.

Quick guess: Massachussetts?

Naw... And Englishman would have remembered exactly which side was red in the War of the Roses. Not to remember would be like a German not remembering whether the DDR was East or West.

Your two puppets have a wyvern (German *Wurm*) and a fox.
Your "me writing factbooks" refers to a Japanese cartoon, which are also quite popular in Germany.
And of course Ravensburg is a German city.

But the one giveaway, is that you say that multiverse of yours is a project you have started in grade school. There are only two nations on earth that refer to primary education facilities as grade schools: the USA and Canada.

Of these, the Canadians have the highest percentage of recent (since 1945) immigrants from Germany. And of these, a substantial number has settled in Ontario...

I say you are Canadian sir! From Ontario!

@Free_Ravensburg Well, then you must be from North-Michigan, or North-Wisconsin.

And if not, I give up.

As for AN:

1. The Delaware is a river too.
2. Grey Foxes are foxes too.
3. Don't give up. I know that Roger Wicker is an even tougher representative to have than Joe Biden ever was, but hang on in there...

I am not Irish. I'm not even Catholic. Or Celtic. Or red-haired.
And before you ask, I am not an Ulsterman either. Or English. Or British at all.
My teeth are straight, for goodness' sake!

USA, somewhere coastal or close to the coast.

The **North Sea Realm**, colloquially known as **Northaria**, established in 1421 A.D. (current constitution: 2022).

A multiethnic Northern European nation with strong democratic traditions and an elective monarchy, now building socialism.

We use NS stats, with the exception of tax rates and the related stats. The Northarian population is roughly 88.5 million as of last census.

Member of the **Atlantic Defence Agreement** and the **Arctic Council**, current president of the **Western European Union**.

I reject anything and everything political that I posted on here prior to 2019.
