David Guetta Ft. Ne-yo & Taio Cruz - Little Bad Girl

Death is the solution to all problems. **No man - no problem.**

Education is a weapon whose effects depend on who holds it in his hands and at whom it is aimed.

This is my commandment

When the bell tolls three times, it will announce that I have been killed. If I am killed by common men, you and your children will rule The Vladikavkaz Federation for centuries to come, if I am killed by one of your stock, you and your family will be killed by my people!

Johann Johannsson-Part 2

The shortest song on this 4-track album is 14:15. Longest is 21:46. This first song has a very soundtrack-vibe to it mixed with minimalistic feeling and drone. Pretty incredible and I typically find this type of soundtrack music to be very boring. It is done in a creative way compared to just purely making upbeat generic orchestral soundtrack music.
