Classical locking NS stats up.
Or killing them, that happens too.

A nation run by a deranged heartless obese creature that calls itself General TN, which enjoys regularly eating the poorest of its nation all while pampering the rich.

Average Life Expectancy drops below 30 years | Rich continue to get richer while poor suffer | TN now eats over 100 people a day | TNs Nation Rated a worse place to live than North Korea | Foreigners questioning how population is still growing | Human sacrifice at an all time high | Economy thriving while Civil and Political rights are non-existent

If you start working for a news agency and put these headlines in they'd still be factual
