[Sum 41 - The Hell Song](#)

intended replacement nation for United State of America  
(original the character donut steel)

*Who is in control of those in control?*

[Why does Ben Lee \(who I assume is the linoleum faced 'wipe-clean-look' profile in the bottom right-hand corner\) look like Rene Auberjonois? Why would Odo be hanging around a rubbish looking holo-world full of quidditch goals that vaguely resembles rejected Final Fantasy 13 concept art? And what happened in order for him to want to breath tornados? And how?!... It would take a vaster intellect than mine in order to answer those questions.](#)

Blackfield-1000 People

Same song as I posted above by Aviv Geffen, but Steven Wilson sings it in English instead of Hebrew like Aviv Geffen does in his own work. But, Aviv Geffen and Steven Wilson both work on Blackfield, so yeah.

Hera-Nothing But Time.

She's got very interesting lyrics, and also some very interesting vocals at times too. Very unique.
