Too authoritarian? Yeah I get that a lot.

Well known, especially in F7 I'd say

The **People's Republic of Hussija** stands as a united **Hussite socialist** country in Central America.

The **Party for Socialism and Salvation** leads this Christian workers' state since 1975.

Activity from them seems to be declining, but they've still got a decent reputation around here.

Fairly new nation, and I've rarely interacted with them, not that known,

ninjad

Same thing, I don't come across them on the forums too often, they're new, and though they run a region with a fair amount of members, they're still on the path of getting more recognized, not that known

Relatively known, but not universally. More commonly found on F7, but I have also seen them around on other forums, and judging by the number of posts, well known on those as well.

Too authoritarian? Yeah I get that a lot.
