Maybe Defense of Citizens Rights. The Popular Party of the State and the  
Republican Party - based on their political compass alignment - seem too  
authoritarian for me. (And the Popular Party of the State already dominates  
the legislature - no need worry about wasting my vote very much.)

Not all NS stats/policies may be used. NOTICE: Factbooks and Dispatches are  
mostly outdated. [See here for more info.](#)  
Accidental policies: Marriage Equality. I blame nsindex.net for not mentioning  
that part in no. 438 even though common-sense dictates that I should have  
figured it out myself
