BN: Choose one party you'd vote from Wizel and one from Storia.

"In Wizel, my sympathies go to the Social Democratic Party, and in Storia I unsurprisingly find myself favoring Labor. I considered Wizel's Labor Party as well, but I am perhaps too wary of terms like 'populism.' While I won't deny that Baizoans tend to view the wealthy with modest suspicion and in turn prioritize the needs of the masses, I don't consider that quite the same as populism, which I have understood as being either prioritizing the immediate will of the masses as a first principle at best or deliberately stoking the masses as a political strategy at worst. If I have misjudged Wizel's Labor, you have my apologies, but I can't shake that as my gut reaction."

—Premier Fukushima Sonoko

"Wizel's Communist Party looks like it's on sound footing to me, and they would likely have my vote. I appreciate their commitment to the international proletariat; I fear that Baizoan Marxism too often neglects the international cause in favor of domestic affairs. In Storia, the decision is slightly more difficult. I considered the Progressive Party, but just as the Premier is wary of populism, I am wary of nationalism. It's not that Baizoans aren't proud of their country, but the twentieth century has not seemed like a ringing endorsement of nationalism as a first principle. Perhaps I would vote with the Greens. Their grassroots democracy platform reminds me of Baizoan Marxists' pledge to localize Council of Citizens elections."

Labor Party and Marxist Party are very interesting, and it's a tie between those two. Green Party is also a possibility. Village Love Party is an interesting concept.

People's Democratic Movement and Socialist Unity Party from represented (though I also like the Scientific Research Party) and Pirate Party or Revolutionary Worker's Party. Revolutionary Freedom Party just seems a little too conservative.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

Green Party, Justice Party and Social Democratic Party, in that order.
(side note: For the NEP, I suggest linking the wikipedia article for egalitarianism, which will give readers on what anti-egalitarianism is. I suggest changing hyper capitalism to ultra capitalism, which is the same but it has a wikipedia article. For post-libertarianism, change it to paleolibertarianism or link the wiki article for libertarianism. And just get rid of neocameralism. Hope that helps!)

BN: We use MMP, so choose one party you'd vote for FPTP and one for PR.

Edit: How did I get ninja'ed? Timezones I guess. New Democratic Party, Progressives and Greens, in that order.

An alt-history Turkey where Recep Erdogan and his Justice and Development Party lose the 2005 election and never enter government. MT, shared nation between Barlyy and Arisyan (though Ari doesn't sign in on it often).
