Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

I don't know much Native American music □

I know of some band who changed their sound around (And despite being called "EXPERIMENTAL" everyone complained that they changed. Never get that) and experimented with Native American influenced sounds.

Godflesh-Mantra

This songs awesome.

At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Neither do I really. I just found some random CDs I got a while back.

It's interesting music, though could be annoying to some. It's all I'd listen to for a while, back when I was trying to "find myself", as far as my musical preferences go.

"Blackfoot Traditions" isn't even an artist, just the name of the CD...

Blackfoot Traditions – Akiin' Iskskin

God this is glorious.
