Slippery People, Talking Heads.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

No. Nobody edits in what they're listening to. You clearly don't post on this thread much. But I can direct you to many other tri and quad posters here.
