My NS stats are **not** indicative of my OOC views. NS stats are meant to be rather silly. My OOC political and ideological inspirations are as such:

The Republic, by Plato | Leviathan, by Thomas Hobbes | The Confucian civil service system of imperial China | The "Golden Liberty" elective monarchy system of the Polish-Lithuanian Commonwealth | The corporatist/technocratic philosophy of Henri de Saint-Simon | The communitarian ideological framework of the Singaporean People's Action Party | "New Deal"-style societal regimentation | Kantian/Mohist/Stoic philosophy
