Pretty decent. Should probably try some more.

Never thought they were fantastic or anything, but enjoyable nonetheless.

Me playing acoustic guitar so fantastically....

They aren't great by any means, but they're not bad either. It's worth giving a listen to, I guess.

Same as the last post I made.

Hey, Cadonica, *everything* ZZ Top did before Eliminator was awesome

For 400 bucks you were sweet that day. Guess I should have known you'd never repay.

Obama's inauguration speech, live.

Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."
- the Gospel of Matthew, 25:35-40
