Liberal democracy

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

God, it's like a united korea, but both identities still exist. So I'd say the government type is a weird combination of the two koreas.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Accidental personalist dictatorship with an increasingly hedonistic aristocracy

THE SACRED UNION OF AGARTHA "One cannot serve God and be enslaved to mammon!" - Matthew 6:24

Escaping from the idolatry and soul-crushing societies of the so-called 'Die Freie Welt'. Those who still carry on the lord's work found refuge in the subterranean ancient realm of Agartha. Despite the offer- No, temptations by so-called demi-gods about helping him liberate the surface. Cardinal Ferro only intends to hold his ground and turn Agartha into a bastion of Christ.
