My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

Fun, casual, nonsensical

Allergic reactions.

“Success is not final, failure is not fatal: it is the courage to continue that counts.”

What a man really says when he says that someone else can be persuaded by force, is that he himself is incapable of more rational means of communication.
