Maybe in the US also.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Definitely an English-speaking country based on the factbook or possibly northwest Europe because they all speak English pretty perfectly. I'm gonna guess New England or in the vicinity of NY though.

Take NS stats as canon, I am too lazy to write a factbook

shouldn't we just ban talkeetna alaska from this forum?

Also I want to say France for AN, not somewhere in West Africa

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

Without checking their OOC since that would technically count as cheating, I'm gonna go with Argentina.
