Mum-Sing Along

You are so beautiful to us
We want to lock you in our house
So beautiful
You are so beautiful to us
We want to keep you as our pets
So beautiful
You are so beautiful to us
We want to lock you in our house
We want to eat you with our spoon
We want to make you sing along

This is their weakest album I think, but I still like this song. Or at least the lyrics. The songwriting isn't really their best.

Mum-Blessed Brambles

This song has the weirdest random lyrics ever.

Bless the weeds that grow on the yard
Just like rain and dust appear
Bless the dogs who talk to ferns
Let's kiss the boys who pee in mud~

Deletes most of the hip-hop albums he has to go through because he knows that it will take him forever to ever actually go through them all, and would be more likely to focus elsewhere, anyway

Still have one OutKast album and one Busdriver album I'd like to go through. May add more by OutKast, Busdriver, and Aesop Rock if I feel like it later, but eh, even good hip-hop I can't really listen to all that often (with exceptions), so I'd rather focus my musical listening elsewhere.

Mum-They Made Frogs Smoke Til' They Expldoed

Never really been crazy for this sort of vocal style. I kinda miss the old vocalist from their earlier albums. She was more interesting.

That being said, their song writing is still pretty solid on this album, before they get kinda bland on their next.

Mind listing some of the albums (assuming you remember what any of them were)? I'm curious. ☐
