The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extent) António de Oliveira Salazar.

The flag makes me strongly think of Roman Catholicism, specifically adhering to the Roman Rite and practices of the Kingdom of France prior to the French Revolution. Another potential is the Braga Rite of the Roman Catholic Church.

Neo-catholicism or a New World Order Religion

Tutto è possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.
