ideas!

Okay, hear me out on my story idea: a reality tv show host has put 22 teenagers of various backgrounds and personalities on an abandoned summer camp somewhere in muskoka ON, where they will compete in challenges for 6 weeks with the prize being cheesy tabloid fame and a small fortune which they'll probably spend in a week

Official name is The Organization

This is Free Ravensburg's New Account after deciding to start anew (but this time set in that multiverse where i forgot to tell you outright through those episodes that they were all connected) | Will get to lore in about a month | Used to be a borb that lived in the F7 servers, but now a dragon living inside your walls after fighting a spider in the server room | [NSStats still accused of treason to the Republic](#) (which unironically exists in this multiverse i created)

In Khoikhoia's timeline, the US is French (as Louisiana).
"Nationsetetats" is "nations and states". Network in French is "réseau", which for some reason I don't think our *Max Barrie* would like. So he went with ".com", for "compagnie".

That's a lot of lore just for that, I applaud you.
