We've taken care of everything
The words you hear, the songs you sing
The pictures that give pleasure to your eyes
It's one for all, all for one
We work together, common sons
Never need to wonder how or why

We are the priests
Of the temples of syrx
Our great computers
Fill the hollowed halls
We are the priests
Of the temples of syrx
All the gifts of life
Are held within our walls

Look around this world we made
Equality our stock in trade
Come and join the brotherhood of man
Oh what a wide contented world
Let the banners be unfurled
Hold the red star proudly high in hand

We are the priests
Of the temples of syrx
Our great computers
Fill the hollowed halls
We are the priests
Of the temples of syrx
All the gifts of life
Are held within our walls

"Not our body and our muscles make us strong. It is our will to survive, to defend our family and the ability to love. Those are the things which make us even stronger than everything else. THIS is strength! No computer, intergalactic race or animal will defeat the zakesh race as long as we have this fires in our hearts burning!"
quote from Zer'kesh the defender.

Time for champagne so we can all get drunk and pretend we can sing to songs on a karaoke machine!

Or is that just me?

In bottles, glasses, or just the champagne? I have a feeling I'll have a headache I'll never forget if it's either of the former...

Toe - C

I love the way the technicality and emotion of each instrument comes together on this one.

If nothing exists, where did this anger come from?
