Nope.

Hello, as you may know, our nation is the USA but set during the 1980s, we aim to be historically accurate and only us stats that would be appropriate to the time period, but in some cases, we do deviate from this aim just for fun.

In other words, we don't use NS Stats

No, I would live in Catigula - nor even think of visiting it, for a multitude of reasons. It's a tyrannical state with retarded laws and an even more retarded ruler, and my status as a human instantly makes me a second class citizen, one clearly discriminated against and hated. This whole feline supremacist stuff is shite as well, as humans are a much more capable species.

Really, the whole place is stupid and not worth a speck of respect.

SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrophestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?

Note: Many factbooks are in a constant state of WIP or being considered for

entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
