Since AN openly admitted that he was Ninja'd, I'll do him.

“  
Bodies of emergency workers dispatched to towns reporting disappearances found inside pit

\*Wheeze\* they just throw bodies of firemen down a crevasse or something? because that's what I get when reading that headline...

Of the ninjaings.

“  
Body found stuffed inside a Duffel Bag

I've heard of a similar case like this in the real world, but I haven't delved into the full details of it yet.

A Nation based on Monarchic France. But this time, France wasn't Authoritarian. The emperor cares about the people and the country. So, good Monarchic France. IC'ly call me "Grande Empire", OOCly, refer me as "Grande"
