Is that Ranboo on your flag? Not very scary to me, but not a complete zero.

9/10, Any flag with a Sun over Paradise on it probably isn't afraid to kamikaze my docks

Fyddin is a kind yet isolationist nation with a Parliament, Grand Court, and Jarl which serves a presidential role. Though laws may be strict, all decisions are made for the average benefit and safety of the citizens. The fishing trade is thriving, weed is legal, and the people are happy.

It's *actually* inspired by the Imperial Japan flag. Anyways, your flag is a 3/10. Purple isn't really scary.

The only thing kind of "scary" is the Lion on the flag, other than that, your flag looks one of a very peaceful nation.
