Looking back, I got a little...eccentric there. I could've used some of that energy on the other songs where I just looked down...

As a matter of fact I am. I got a while to go, I'll probably fall asleep around 2008. If I get lucky, I'll make it to June 2009...maybe

[carousel by linkin park](#)

good song, should've been on Hybrid theory.

it was on linkin park's first EP back when their band's name was hybrid theory, i don't know why it didn't make the cut to their first full length album

you should check it out

Pretty awesome. Damn I miss the old LP. Not Mike's best, but Chester did a great job on that.
