Blurry picture really adds to the aesthetic of your nation.

A combination of the neutrality of Switzerland, the military capabilities of Israel, and the authoritarian governance of Russia.

I like to complain about bad governments are people halfway across the world, but I prefer that anyone except me deal with them.

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.
