Bob staggers back as Crazy Larry dodges a big caramel as the shot to his head ricochets off his stainless steel front tooth and strikes Bob in the Carotid Artery killing him instantly

Blaise meanwhile is digging 16 tons of caramel, which is his favorite candy treat. Crazy Larry successfully forges Bob's will and inherits his wealth and ownership of Bob's Big Boy restaurant chain.

As Crazy Larry is walking to a convenience store to spend the \$500 bill, two glowing figures appear in front of him. His eyes are almost set alight because of the glow.

The male figure introduces himself as Master Man. His eyes show the glare of eons of wisdom and travel across the multiverse. His sidekick, Giselle, is also a powerful figure like Master Man.
