DragonForce - Through the Fire and Flames

From: Inhuman Rampage (2006)  
Genre: Power metal, speed metal

My guitar instructor said he was trying to play this on guitar. It's pretty intense.

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

More like an EPIC pick.

Just alternating between U2's and Radiohead's greatest hits, to be honest.

Pharoah Sanders - Black Unity

Album: Black Unity (1972)  
Genre: Avant-Garde Jazz, Spiritual Jazz, Free Jazz

The whole album is this one 37 minute long piece. ☐

Regulate - Warren G ft. Nate Dogg & Michael McDonald.

The Michael McDonald addition to this song works really nicely.

***Days like dominoes, all in a line***
