Sorry Matthew, but you come off as more of an asshole than a romantic in this song.

Elton John - Home Again
From *The Diving Board* (2013)

*Could have been a jailbreak and the spotlight hitting me
Or was I just some nightclub singer, back in 1963?
In the old part of Valencia, on the coast of Spain
Never tiring once of hearing songs about going home again*

*If I could go back home, if I could go back home
If I'd never left, I'd never have known
We all dream of leaving, but wind up in the end
Spending all our time trying to get back home again*

Male, 23, Indonesian

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to

live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
