6637 went to Serbia in the 1990's. They asked him what his favorite food was, and he said, "Kebab". He was immediately "removed".

On the way home from the hospital where his minor injuries were treated, Monkey 6634 was pulled over by an Alabama cop who mistook him for a black man and shot him.

6625 jumped into a volcano and then swam through the entire Earth, emerging out the other side at another volcano with a crowd of millions cheering him on. While walking down the side of the volcano and waving to people, he tripped and slid down several hundred feet, busting his head open on a rock.

6599 led such a miserable depressing life thanks to his dysfunctional family consisting of his father who might as well be an absentee, his overbearing tyrannical uncle, his loudmouth narcissistic aunt, and his mother who means well, but who isn't willing to do too much, has a quick temper, & relies too much on the previously mentioned uncle, that he committed suicide by jumping off the Natchez Trace Parkway Bridge.
