If not for the capitalism, i would.

Federated Communes of Cygnus X-1

A federation of various leftist Communes in a Sci-fi world, orbiting a beautiful dance of a black hole and a blue star.  
Part ancom, part Democratic Confederalist, some mutualism and a fair bit of fully automated luxury gay space communism. So a united libleft polity in space.  
Low-end FT.

Why not.

**The Avant-Gardist State of Patagonia** ~~~ *Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more*

#### Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
- Not expecting an essay. Just a couple of sentences that shows that you know my work well enough
