Not really. Don't know much about AAN due to the lack of factbooks, and I'd rather not live in a place I do not know much about. Sorry, AAN. (NINJA'D!)

Same with AN, really. No factbooks, and their NS stats don't look too great for the populace.

From what little info there is I have to say I probably wouldn't.

THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.  
Who are you to tell us what we may and may not do? We stopped being your slaves an era ago. "

**South Reinkalistan** is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

No, their society seems like it has tinges of objectifying beings that were created unethically? I don't know how to put it, but they have a long way to go.

Leaf water good. Bean water bad. David Ricardo was on to something and so was Eugene Stoner.

Only the trends are canon, not individual stats. If you want to get angry very quickly, I recommend Twitter.

Current status: *fine*.

No

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.
