I need to listen to more of these guys. I ran across them while roaming through the good section of YouTube suggestions for a while, and found a few good bands. I recommend you check out Sleepmakeswaves too, especially It's Dark It's Cold It's Winter. Keep Your Splendid Silent Sun, One Day I Will Teach You To Let Go Of Your Fears, and I Will Write Peace On Your Wings And You Will Fly Over The Ocean, just because of the name.

Sleepmakeswaves-It's Dark It's Cold It's Winter.

Great ending to the song.

You know, several times today I thought about listening to the mfinally, but ultimately decided against it. Tomorrow, probably.

Dear Insanity (Revaleso Remix) by Asking Alexandria

I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.
