Did Not Screw Up During AIDS Crisis

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

Free Ravensburg has been recently classified as an international menace after 'liberating' several nearby territories.

In solidarity with Ukraine, I will be censoring the letters Z and V from my signature. This is -ery much so a big change, but it should be a -ery positi-e one. -olodymyr -elensky and A-o- continue to fight for Ukraine while the Russians are still trying to e-entually make their way to Kharki-, -apori-h-hia, and Kry-yi Rih, but that will take time as they are concentrated in areas like Bakhmut, -uledar, and other areas in Donetsk. We will see Shakhtar play in the Europa League but Dynamo Kyi- already got eliminated. Shakhtar managed to play well against Florentino Pere-'s Real Madrid who feature superstars like -inicius, Ben-ema, Car-ajal, and -al-erde. Some prominent Ukrainian players that got big transfers elsewhere include Oleksander -inchenko, Ilyya -abarnyi, and Mykhailo Mudryk.

...I immediately got cracking...

Ithallians are the definition of unconquerable. They are bound by a brotherhood that can only be forged in a war, for Ithallians, all of them, know the cost of freedom. As long as you respect them and are faithful in your dealings with them, Ithallians will treat you like a member of that family. If not...they don't tend to leave survivors...
