Almost everyone we interviewed said that The Leader is good, they few who didn't, we saw them on the news as a missing person, a victim in an accident, or a suicide. I'm sure the government didn't cause them to die or go missing.

Wait

I don't believe it

Parkour!

Daughter nation of [The Unified Provinces of Rhanukhan](#), originally created during the course of roleplay events back in 2008 (a "live" summarised replay [is currently unfolding here](#)). The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.
