Anava Hinduism values all forms of human life and happiness, and by our judgement is a bit hedonistic. It still retains a belief in a cycle of life, death and rebirth.

One thing I learned is that women in Las Palmeras are expected to administrate the home, but as far as I can tell they are actually the head of the household, in direct contrast to patriarchal societies. Another thing I learned is that I really love your drawing style.

A flag commonly known as 'the Red-Starred Flag', or 'the One-Starred Flag', was widely used by revolutionary forces throughout most of the war, and remained the de facto national flag of the federation during the early portions of the Reconstruction era. It was eventually replaced with the modern North American flag in a competition.
