Due to their leave of absence and (relatively) recent founding date, I'm going to have to go with not very well known, or at least not currently. Welcome back though.

Quite well-known, especially to those who have interacted with them
before. I've seen them multiple times in F7 and the roleplaying
threads.

Look man, I don't know what's your problem, but I gotta tell you to
stop bugging me. You don't just run around and make crazy lies
about people like me such as "i dOn'T bElIvE tHaT iDaHo ExIsTs." or
"i'M a SuMmEr PoStEr."

Knock. It. Off.

It's rude and annoying, so quit it before you get yourself in trouble.

/stillme

first of all, dont bring it to f7.

second of all, bro, its already over. it's legitimately some random
person on the net like you, so why be such a baby on it. it's not like I
know your location and will send a nuclear bomb at your house.

third, unrelated, especially when it's about another forum topic in

NSG, so go cry there.

fourth, it's a joke, I don't believe that Idaho doesn't exist, and you keep bringing it up randomly every time I try to post on F7.

They are not exactly a common sight recently, but other than I've saw them a few times before in the past, I guess others may also know them. So....relatively well-known.

I have not once seen this person in F7 in my time here. Given that they post very frequently in other forums, though, I would make an educated guess that they're quite well known.
