A Ukrainian puppet state held on a short leash by the Germans. Its existence is nothing but agony to toil for the Reich's needs. Forever.

Clarification: This nation does not represent my political views in real life.

Why civil rights so difficult to go up.

Is air-land battle too much to **ASK FOR**?

When I asked for modern combat, did you think I meant *civilians in pickup trucks*?

NO. I wanted *cool combined arms like in all the synthwave youtube edits*.

Warfare isn't death and suffering, it's cool guns and synthwave music.
