In their timeline the *Gesetz über Groß-Hamburg und andere Gebietsbereinigungen* (1937) is never put into effect, and Lübeck retains its Free City status

To be elected to their legislative body, a candidate needs to receive a majority of the votes cast in their constituency.

I felt like going on a power trip, and thought to myself "Hey Ell, what

nation/faction would be possibly the most overpowered one you could create?" And somewhere in my head the name "The Combine" screamed. So this is exactly what I'm doing! Pray that the Union doesn't notice you, because it probably won't.

Supranationalism is decorative to their national character, and this in itself is obvious by their very name, and how they carry themselves around as "Unionists".

They have 26 European and 6 colonial states, the largest of which being Prussia (Europe) or Mittelafrica (Colonial). Several of these states gained sovereignty following the dissolution of the Holy Roman Empire.
