Oh god shoot me now.

What made you listen to *that*?

The Notorious B.I.G. – Mo Money Mo Problems (feat. Mase & Puff Daddy)

I don't even like the song that much (Mase and Puffy are awful), but this damn beat has been in my head all day. It's so catchy...

Me, my sister, and my mom were talking about old kids shows...Barney came up, so I checked if it was on Spotify for teh lulz....AND IT WAS.

Oh man I need to put this in peoples playlists to troll them now...

That's one kids show I'm kinda glad I rarely watched...I have no reason to jokingly go all nostalgia-like with that like I just did the Teletubbies.....Which felt like watching paint dry...

Time to go watch something more, I dunno...serious....

Interstate 8 by Modest Mouse.

What the hell happened to MM? Once Marr joined the band, all their music turned to shit. Isaac was the one who wanted it to be this way, though, I suppose - shitty and unremarkable bland indie-pop-rock. It's a damn cryin' shame there will never, never, never be another *The Moon & Antarctica*.

This should give you some idea. Old Modest Mouse is the best. Go to hell, Johnny Marr.
