Worker.

Ellese is a highly religious (it was the first nation in the world to adopt Christianity as its religion, and was at least partially formed as a Christian nation), strangely rich nation made mostly up of steppes, with some mountains, in the gap between the Caspian Sea and Ukraine. It was a monarchical dictatorship up until about 2 years ago when the Fer abdicated and it became a democracy.

If you're going to make a totally original nation on NS, might as well work towards getting your desired stats instead of writing it all down in a factbook.

MN Represents most of my beliefs minus the leader's rudeness, no multi-thoughts, and herding.

If you are an "True American" or a Patriot, then you shouldn't be flying a Confederate flag, endorsing attacks on civil rights, or supporting Putinist Russia.
