Since I have (and should have) a tendency to try to vote for the smaller parties, I'll go with the Progressive Party, with the Socialist Party in a somewhat close second.

On another note, I'll need to make some factbooks on really summarising the basics and lore of Sulivannia in a simple manner, seeing that I haven't worked on any of them since last summer and that I really like the idea of the "You know you're from X when" factbooks like the following ([You Know You're From Transoceania When...](#)).

Lots of left-winger Palladionians will vote for either the Progressive Party, Together - The Social Democrats, or the Republican Party.  
The hard-left votes for the Communist Party.  
Economic liberals vote for Democratic Alliance or the Democratic-Republican Movement.  
The conservatives and the religious minority vote for Popular Union or the Union of Independents.
